# FIREPLACE FEATURES

Enhance your home while delivering comfort, warmth and soothing ambiance. Ember bed choices, color options, temperature control and timer settings enable customization of your space and experience. Flames and flame effects can be used with or without heat so you can enjoy a visually appealing and relaxing environment all year-round. We offer two unique fireplace insert models, SMARTFLAME™ and TS, each with their own unique features.

## SMARTFLAME™ Fireplaces

Available in 26" width and 42" width.

### Timer Settings

Set to automatically shutoff from 30 minutes to 9 hours.

### Temperature Control

Set the temperature between 72°F to 82°F to fit your comfort.

### Color Options

Enjoy multiple color effects for both the flame and ember bed.

### Ember Bed Choices

Choose between interchangeable logs or translucent rocks.

### Remote Control

Includes an easy to use multifunction remote control.

### Zone Heating

Provides supplemental heat to your favorite rooms and spaces.

## TS Fireplaces

Available in 26" width.

### Shutoff Timer

Set automatic shutoff from 30 minutes to 9 hours for your safety and convenience.

### Flame Effects Display

Choose from 5 flame color options using control panel or remote control.

### Adjustable Temperature

Digital thermostat allows you to adjust the temperature to fit your comfort level (62-82°F).

### Adjustable Brightness

Adjust the brightness from dim to bright using energy saving LED technology.

### Power Button

Turn on and off as needed by using convenient power button control.

### Heat Coverage

Efficiently heat up to a 400 square foot room using a 4600 BTU heater.

*Fireplace inserts plug into a 3-prong outlet and include a 1-year warranty. Fireplace insert and console or display case ships fully assembled and in one box.*

Proudly Designed, Assembled & Finished in the USA
