The Mesa Collection

Mesa offers quintessential farmhouse style coupled with quality craftsmanship, matching wood knobs, contrasting tops and a finish that allows the inherent beauty of the materials to shine. Enjoy a generous amount of storage throughout, the flexibility of adjustable shelving, and handcrafted style that is built to last.

Finish and Hardware

Antique White Finish with
Painted Wood Knob Hardware

Perfectly Imperfect

The charm of this handcrafted collection lies within the "perfectly imperfect" variations of the natural materials and finishing techniques. Natural variations may continue to develop, adding more character to this one-of-a-kind creation.

Please note some color variations of our furniture finishes and fabrics are possible due to room lighting. Please use as a reference only.
